Fashion was the next step given it's in my blood, fashion is a passion and has been for as long as I can remember. There has never been a better time in our sector to embrace innovation for market growth, strengthen longevity against international companies and build more responsible, economically viable businesses.

Q+A with Camille Reed, Founder of the Australian Circular ...

Feeling passion for your work is a good goal, but identifying a passion in advance, and then matching it to a job, is not a consistently replicable way of achieving this goal. The better strategy is to work backward from a target lifestyle, pick a supporting job, cultivate a skill, then leverage your value.
