...

I wanted a book that walked me through the thought and physical process of the practice of archaeology. This is it in an easy to understand format with photos and diagrams. It is as advertised, a practical handbook. I knew nothing about how a dig went from "hey there might be something here" to planning, organizing, laying out, and working a dig.

The Oxford Handbook of Historical Ecology and Applied

Read PDF A Practical Handbook Of Archaeology A Beginners Guide To Unearthing The Past

Archaeology presents theoretical discussions, methodological outlines, and case-studies describing the field of overlap between historical ecology and the emerging sub-discipline of applied archaeology to highlight how modern environments and landscapes have been shaped by humans. Historical ecology is based on the recognition that humans are not only capable of modifying their environments, but that all environments on earth have already ...
