Thinking about sex is a big part of adolescence and adulthood, and you don't need to feel guilty about it. The only way sexual thoughts become a problem is if you can't focus on what you want to think about. Remember that it's not always going to be difficult, and the present urge will pass.
Part 2

How to Stop Thinking About Sex

Critical thinking is an excellent tool to help you better understand yourself and to learn to master your thoughts. You can use critical thinking to free yourself from cognitive biases, negative thinking, and limiting beliefs that are holding you back in any area of your life. Critical thinking can help you assess your strengths and weaknesses so that you know what you have to offer others and ...
