Jared Tendler Books - List of books by Jared Tendler

Mental poker is the common name for a set of cryptographic problems that concerns playing a fair game over distance without the need for a trusted third party. The term is also applied to the theories surrounding these problems and their possible solutions. The name comes from the card game poker which is one of the games to which this kind of problem applies.

Mental poker - Wikipedia

Cart - Jared Tendler - Mental Game Coach & Author

The Mental Game of Poker does not only help you as a poker player, but also in your everyday life. Therefore, it is not only directed to avoiding tilt but helping you to improve your overall mental status. What is more, I have really found it useful in trading as well, because a lot of these factors are quite similar, especially when running bad.
