Conflict Theory **Karl Marx Social Conflict Theory**

What Is Conflict Theory? Its premise is simple. Developed by Karl Marx, it suggests that society exists in a perpetual state of conflict, rather than harmony. This is because we are all competing for the same, finite resources. In other words, for each social resource, there is a potential for conflict.

Conflict Theory
Subjunctive

Karl Marx studied the conflict between the rich and poor classes over the control of resources. Conflict theory states that society is in a continuous state of conflict over the competition for resources that are scarce. It also states that conformity is upheld through domination and power rather than consensus.
