Through a combination of overview articles, case studies, and theoretical descriptions, the volume addresses areas such as the history and structure of legal languages, multilingualism and language rights, courtroom discourse, forensic identification, intellectual property and linguistics, and legal translation and interpretation.

Oxford Handbook of Language and Law - Oxford Handbooks

This Handbook offers a state-of-the-art account of research in language policy and planning (LPP). The Handbook examines the ways in which scholarship in language policy and planning (LPP) has understood the changing relationship between LPP and political-economic conditions, and how this changing relationship has shaped knowledge production in the field.

Oxford Handbook of Language Policy and Planning - Oxford ...

This Oxford Handbook challenges basic concepts that have informed the study of sociolinguistics since its inception in the 1960s. In 27 chapters, the book challenges the modernist positivist perspective of the field that has treated languages and speech communities as bounded and the idealized native speaker as the ultimate authority.

Oxford Handbooks - Scholarly Research Reviews

The Oxford Handbook of Taboo Words and Language defines taboo as a proscription of behaviour for a specifiable community of one or more persons at a specifiable time in specifiable contexts. What is in fact tabooed is the use of those words and language in certain contexts; in short, the taboo applies to instances of language behaviour.
