Boeing 777 - PMDG Part 4 Startup • C-Aviation

Obviously as pilots and flight simmers, we want to get in and actually start to use the aircraft. You'll get much more of knowledge than just talking about a pretty airplane! Nick goes through a full Cold and Dark Start, a Takeoff, Climb, and also a raw data NDB with ILS. Nick is a big show off.

Nick's PMDG 777 Initial Cockpit Thoughts - Angle of Attack

Whilst some might not really mind the way that a free flight can start, this can be a problem for others who want to do it themselves and get the "full" experience. What you need to consider doing here, then, is looking at the way that you like to start off and, if you would rather a cold and dark option, this can be the way to go.
