Private Equity And Venture Capital

Private equity is capital invested in a company or other entity that is not publicly listed or traded. Venture capital is funding given to startups or other young businesses that show potential for...

Private Equity vs. Venture Capital: What's the Difference?

Private equity (PE) and venture capital (VC) are two major subsets of a much larger, complex part of the financial landscape known as the private markets. Because the private markets control over a quarter of the US economy by amount of capital and 98% by number of companies, it's important that anyone in any business capacity—from sales to operations—understands what they are and how they work.
