Dreaming of a passenger train. A dream about a passenger train is the symbol of mental work. Dreaming of a model train. If you had a dream about a model train, it means that you would like to have more control over your life. It can mean that someone else is trying to control your life and to make decisions instead of you.

Dream Train
Secret Book

To dream of a train indicates that you feel events in life are out of control. The train symbolizes your power in life, much like your control over others and this dream can be an indication on how you approach situations. It is important to actually try to remember the details in the dream. If you can see passengers on the train then the dream was focused on your own
