For most people not well-versed in the history of the Third Reich, the war, the Holocaust, and other Nazi atrocities are seen as all part of an interlocking network including the National Socialist state, the army (Wehrmacht), and the infamous SS. However, as Daniel Siemens points out in Stormtroopers, none of these elements could have engineered the Nazi armageddon of 1933-1945 without the SA, the brown-shirted "political soldiers" who tried to create a "people's community ...
