The body language handbook : how to read everyone's hidden ...

Body language is an element in communication that we should be very much aware of because it gives clues to the character, emotions, and reactions of an individual. Our state of mind is expressed in our body language. For example, if we doubt something we hear, we raise an eyebrow. If we feel puzzled, we scratch our nose.

BODY LANGUAGE - The WCA

This book is dedicated to the potential hazards of trees. It shows the reader how a tree breaks, why it breaks, why perhaps it breaks too soon, and how it gives out a warning. In most cases the tree gives out a silent sign in its body language. It draws attention to many types of potential fracture points by producing symptoms.

Ex-FBI agent: How to speed-read body language—now that we ...

This is a great book on body language. It covers both how to read cues and how to adjust your own body language. It contains a LOT of illustrations which helps tremendously. It could be a bit more detailed, and the humor is pretty childish at times.

11 Best Body Language Books Ranked and Reviewed - SocialPro

Also particularly interesting was the analysis of body language in the context of relationships between individuals. I didn't feel that this book contained "psychobabble". In fact, I would say the language was clear and specific, unlike a number of other books I've read (or attempted to read).
