Amazon.com: Customer reviews: The Soul's Logical Life ...

One has to go beyond imaginal psychology and advance to a notion of soul as logical life, logical movement. Only then can psychology be freed from its inherent positivism and cease being a subdivision of anthropology. The notion of soul is logically released from its attachment to the notion of the human being.

The Soul's Logical Life ()

The idea of the soul is bound up with the idea of a future life and our belief in a continued existence after death. It's said to be the ultimate animating principle by which we think and feel, but...

The Soul's Logical Life: Towards a Rigorous Notion of ...

The logical or logistikon (from logos) is the thinking part of the soul which loves the truth and seeks to learn it. Plato originally identifies the soul dominated by this part with the Athenian temperament.

Plato's theory of soul - Wikipedia

Socrates first introduces the distinction between essential and non-essential attributes. This distinction is then applied to the soul: because it always causes life in whatever it occupies, it must have life as its essential property, which it cannot lose. The soul is therefore incompatible with death and must be 'deathless' = immortal.
