Cold Truth by Mary Stone and Donna Berdel is the first book in an amazing new series and a real thriller. I was hooked from the beginning and couldn't put this book down. I may like this series more than Winter Black. This thriller is very intense and full of suspense. Even the interaction between characters is intense.

Steve Austin really seems to let folks into his inner circle in this book. The book feels like it's being told by Stone Cold himself as the language seems exactly like you'd expect him to talk. The prologue gives a hint into the soft underbelly of a man who seems to be unflappable. You get to see Steve Austin scared, nervous, etc.
