(Updated 7th-February-2020)

NSX CLI Pocket Guide - VMware Cheat Sheet | Sysadmin Tutorials

I check the VMware download page once a day - it is sort of odd how the product pages all refer to 5.5 and then it takes you to a 5.1 download. A really great feature would be if there was a way to sign up for release email notifications right there on the download page... kind of like the FedEx delivery notifications.
