Why Major in Anthropology? | Anthropology

It embraces the hope that anthropology has value to those beyond the discipline, beyond the university. The focus is on publications that matter to other people – by the power of their ideas and by how, with the help of others, they transform peoples' lives for the better. It is one thing to write a thoughtful book.

Public Anthropology: An Open Access Series - Center for a ...

An Anthropology of Anthropology uses anthropological methods and insights to study the practice of anthropology as an academic discipline. It considers the contexts that shape the discipline, especially its beliefs, its publications, and the degree to which what it produces is of value to others. The book calls for a paradigm shift away from the publication treadmill—of assessing intellectual competence by how many books are produced in what period of time—toward a more profile-raising ...
